

Since 1980, DS, a family owned business in Lancaster Pennsylvania has made sincere efforts to have the most competitive and the highest quality product available and it shows in the product they manufacture.

Traditional craftsmanship defines each product from wood and coal furnaces to custom metal fabrication. With a goal of high efficiency and low maintenance, along with superior quality, DS products are built to last a lifetime.

With four divisions, Stove Manufacturing, Retail, Wholesale, and Custom/Production Fabrication, DS strives for excellence in everything they produce.

HeatRight

Model #120

A versatile and simple furnace

Where Tradition, Craftsmanship and Quality Come First

Heating Done Right

No need to spend thousands of dollars. The HeatRight 120 can heat your whole house, shop, or just about any space. The HeatRight is a mid-range quality product, designed for durability, low-cost, simple operation. It features a bi-metal draft regulator, heavy plate steel construction, and Shaker exterior handles.

FEATURES:

- Burns coal
- Heats up to 2600 sq. ft.
- Secondary combustion system
- Bi-metal draft regulator
- Built from heavy plate steel
- Cast iron airtight doors
- Superior cast iron Shaker grates
- Exterior Shaker handles
- Minimal dust
- Available with black or red sheet metal sides
- Made in the USA

THE DS REGULATOR

The DS Regulator is not electrical. It uses two different metals bonded together. The metals expand and contract based on temperature, directing the heat to where it is needed.

Mounted directly on the hot surface of the stove, it governs the temperature by opening or closing the draft control. This draft control connects to a specially designed draft intake, through which air can enter to increase or decrease the temperature of the fire, depending on the heat radiated from the stove. The DS Regulator is equipped with a 5-position mechanical control dial.

SPECIFICATIONS

Model #	#120
Fuel	Coal
Heating area (recommended)	2500 sq. ft.
Efficiency	80%
BTU approximately	125,000
Firebox size (WxD)	16" x 22"
Firebox volume	4.0 cu. ft.
Firebox height	19"
Overall size (WxDxH)	25" x 29.75" x 36.5"
Load door size (WxH)	11" x 12"
Ash door size (WxH)	16.5" x 5.5"
Top exhaust	6"
Rear exhaust	N/A
Blower CFM	N/A
U.L. tested	Yes*
Weight	440 lbs.
Sheet metal jacket	Standard
Warming shelf	N/A
Warranty	5-year limited

CLEARANCE FROM COMBUSTIBLES

Side	18"
Back	18"
Front	48"
Flue/Stove pipe	18"
Ceiling	36"

All units require a class "A" all fuel chimney installation that must conform to local and state codes.

*Safety tested and labeled to U.L. Standards by Guardian Fire testing, to U.L. 391, ETLM78-1, CAN/CSA B-366.1
