Heat your home, domestic water, or hot water for farming needs

Where Tradition, Craftsmanship and Quality Come First

Since 1980, DS, a family owned business in Lancaster Pennsylvania has made sincere efforts to have the most competitive and the highest quality product available and it shows in the product they manufacture.

Traditional craftsmanship defines each product from wood and coal furnaces to custom metal fabrication. With a goal of high efficiency and low maintenance, along with superior quality, DS products are built to last a lifetime.

With four divisions, Stove Manufacturing, Retail, Wholesale, and Custom / Production Fabrication, DS strives for excellence in everything they produce.
For all your Boiler Needs it’s DS Stoves!

DS Stoves engineers and fabricates specialty boilers ranging from domestic water and home heating to farm-related needs. For green houses, veal growers, hog barns or milk houses, burning wood or coal, we have the boiler you need. If you can imagine it, we can build it.
